

- basic entry free of charge
- detailed company and product description
- individual optimization for search engines (e.g. SEO for Google)
- sector specific newsletter service
- target-group specific banner placements

PRO-4-PRO.com – PRODUCTS FOR PROFESSIONALS – is the unique product database for vertical B2B markets.

Since 13 years PRO-4-PRO is an essential part of GIT VERLAG's cross media publishing concept. The combination of publishing product news in our B2B magazines, portals and PRO-4-PRO multiplies the marketing success for your company.

In 2014 the website has seen a massive technical and optical relaunch and is now optimized according to the user behavior.

Clear structure

Modern Design

Optimized for mobile devices

ONE SITE FITS ALL
